## Family Readiness

**Your monthly message from your FRG Leader Judy McIntire**

Hello Everyone, I hope you all are safe and well after all the storms this past month. Nothing like a tornado to get your attention. I hope all of you that attended the Ball had a good time. Let's all thank the people who worked very hard on this.

It was nice to see our Alpha Co. unfortunately CPT Pitre was unable to attend, at the last minute Kenneth had to attend a function they were holding for their new BN Commander. Speaking of our people attached to the 1/19th they are finally going to do what they went down there to do, TRAIN! Hooah!

I just want to take a minute and Thank the wives and husband of these soldiers for their patience, support. I myself can honestly say, this new arrangement was a little harder than I expected, but I just keep reminding myself that my husband is there for a good reason: OUR FREEDOM! Without trained soldiers our country would be in a world of hurt. So Alpha families a big Hooah goes out to you! Be patient and remember they will be home soon. I know that they are finally into their BCT so home visits will be less, but we can go there and spend a few hours with them. I was thinking it might be nice if we helped each other by having a gripe party, babysit for one another so you can go down and visit with your loved one. I am going to see if we can't plan a cook out there by the battery. In July B Co will have a graduation; we can have a bake sale on that day. The funds will go to the 1/19th FRG, we are a part of them as well as the 378th. We need to be more visible and really show our support.

I am available to anyone whom needs to talk or has a problem that needs help in solving, REMEMBER Family Readiness is there for you.  
Have a nice day.

## Army Humor

After two weeks of basic training, the drill sergeant lined up his troops and asked them each who they would like to spend an hour with if given the chance right now. Several soldiers answered their mothers, their girlfriends, etc. Then the sergeant came upon a unique answer.

Sergeant: Private, who would you most like to be alone with for an hour?

Private: My recruiter, sir!
